Sheet Metal Warehouse

Pittsburgh Air Systems Sheet Metal Warehouse is pleased to offer an exciting new approach to warehousing:

PRIME-STOCK

what you need, today.

Backorders cost you time and money. The Prime-Stock Program is designed to avoid backorders on the *products you use most.*

Program Guidelines:

- Place an order for any Prime-Stock product (see reverse) and we will have the quantity needed in stock.
- If a Prime-Stock product is on backorder, you will receive a 5% discount* on the backordered quantities.

* Does not apply to other offers or previously discounted pricing
